Thank you to all the parents who have logged in to WEDUC since last weeks' newsletter. Next year this will be our primary method of communication with you so please do log on.

The concert by the Lions on Monday 1st July was AMAZING!

The parents were impressed by the skill shown and the number of songs they could play.

We hope this experience has sown the seed of loving music and playing a musical instrument.

Final Church Assembly of the Year

This service was led by the Sea Otters and told us about crossing bridges and meeting the future with courage.

This was especially poignant for our Year 6 children and Maria said a prayer especially for them.

Pantastic

We are very proud of our children who in spite of only being aged between 7 and 11 years have made these performances of Pantastic truly memorable. Many thanks go to Miss North and her team for all their hard work with the children to put on this production. We appreciate her skills and enthusiasm and the children have thoroughly enjoyed the experience. The support from all the KS2 staff has been amazing and the scenery and props are spectacular!

The BeltonFest Bake a Cake award was presented to Ava in the Owls class. Well done Ava!

The sun shone, the sky was blue and FOBS raised around a fantastic £1900 for our school!

BeltonFest was a brilliant event which was enjoyed by everyone. A HUGE thanks to all members FOBS for their hard work, to DJ DaddyCool, and to everyone who helped to clear up after the event. Mrs de Looze loved her leaving song 'Stay', written and performed by Sally, Bethany and Olivia. She was also thrilled by the flashmob comprising of all the children dancing to Revolting Children! Well done to Miss North for her choreography and for keeping it a secret from Mrs de Looze!

Coming up

Sports day

Following the awful weather we are really please to let you know that Sports Day has been rearranged for Monday afternoon, 8th July at 1.30pm. Please bring your picnic blankets and chairs and come and support the children.

Moving Up News

In the final week of term we will be preparing for next year and trying out our new classes. The teachers have been meeting their new children around the school getting to know each other and if you would like to come and meet your child's teacher then feel free to drop in and see them.

Invitation to a Royal Garden Party

On Tuesday there will be no school lunches as your child has been invited to a fun filled

Royal Garden Party

at school to celebrate the retirement of Mrs de Looze, who has been at Belton School for the last 22 years.

This is a non uniform day and we would like your child to come dressed as a prince or a princess or as a guest to this royal occasion.

Your child will need a picnic packed lunch and a drink. Please make sure they have sun cream, hats or jumpers depending on the weather!

If you have a picnic blanket for the children to sit on, on the school field, we would appreciate them being brought into school on Tuesday morning with their names.

Year 6 BBQ

FOBS are arranging a special BBQ for Year 6 children and their families on Thursday 11th July at school at 6pm. Invitations have gone out to Year 6 families.
