

### Parents' Afternoon/Evening

Appointments are being made for the parents' afternoon / evenings next week.

If you haven't had your appointment confirmed or if you would like an alternative date please contact your class teacher direct.

## Macmillan Coffee Afternoon

Thank you to everyone who made cakes and came along to support this lovely annual event. The Sea Otters raised £244.89 for this very worthy cause.

## Harvest Festival

Many thanks for all your gifts of food that were donated to the Shepshed food bank at the Harvest Festival. Our theme of water was well received with every child taking part. The performances included Singing in the Rain by the Tigers; Fun in the Water by the Owls; Watery facts by the Sea Otters and finally water for Growing by the Lions, which ended in a Harvest Samba!

The Owls have had fun creating a toy museum in their classroom with their own toys from home. They have been learning about the differences between the toys they play with today compared to those their parents and grandparents played with. They will be visiting the Sudbury Museum of Childhood after half term to explore at first-hand toys through the ages.

## Soup and Bread Day

Thank you to everyone who came into school to sample the tasty soups and breads made by the children.

Tigers made carrot and ginger soup, Owls made tomato soup, Lions made sweet potato and red pepper soup and the Sea Otters made roasted butternut squash soup. The Tigers also invited St John's Café in to school on Wednesday afternoon to share their soup and bread.

## Belton Villa U7's at Leicester City!

On the back of some impressive performances recently, six of our Owls were invited to the Leicester City Academy to participate in a mini football festival on Monday evening. Noah, Thomas, Alfie, Jake, Theo & Cole all played really well and won two of their three games. Well done boys!

Belton Villa have recently entered leagues at U7, U8, U10 and U12 with a large number of boys and girls at the school involved with the teams. There have been great performances from all of the teams with a few expected to move into higher leagues in the near future. The football future for our school looks bright!

**Owls Class – Jo Oakley**

**Lions Class – Sam Moscone**

**Sea Otters Class – Barbara Smith**

If anyone would like to be a volunteer / helper during events let us know and we will contact you, we would be grateful of all help, large or small!

## Lions Viking Project

Miss North would like to thank all of the children and their parents for their hard work and co-operation with their homework on the Vikings. She is so pleased with the variety of things they have produced.

**Well done!**

## Coming Up

## Supporting Mental Health Day

**We extend an open invitation to all parents and carers to join us for our school assembly on Thursday 11<sup>th</sup> October at 9am in school.**

The assembly will be led by Mrs Robe, our family outreach worker. She will be talking about raising awareness on Mental Health Day and the importance of looking after our mental health. Mrs Robe will be available after the assembly to answer any questions you may wish to ask her.

On Tuesday 23rd October our school photographer will be in school to take individual photographs of the children. If you would like younger siblings to be photographed with your school child please pop into school from 8.30am.

There will be an opportunity to have these photographs made into keyrings and other gift items. These make great Christmas presents and the more you buy the more commission we make for school!

## Diwali Day

On Wednesday 10<sup>th</sup> October the Lions, Owls, and Sea Otters will be taking part in a day of dancing and diva making.

**We break for half term at the end of the school day on Thursday 12<sup>th</sup> October and start back on Monday 22<sup>nd</sup> October.**

**Friday 13<sup>th</sup> October is an inset day for staff training.**

## Story Bugs

Mrs Rees, (Charlie and Daisy's mum), is going to start a Story Bugs book club after school on Fridays for the Owls Class. She has planned lots of exciting activities. There will be a maximum of eight places. Please book your place with the school office – first come first served!

The club will start on Friday 26<sup>th</sup> October.
