CEOPS (Child Exploitation and Online Protection)

Our Community Police Officer Kevin Bradley came into school on Tuesday to talk to our children about CEOPS – and how to help keep ourselves safe online and how to protect ourselves. In the evening we welcomed parents and carers to a presentation by PC Bradley who talked about being able to help keep your children safe online and at home. Thank you for your support. It is not too soon for your child to learn about CEOPS. It is a really important issue.

We held a very successful Non-Uniform Day today in school.

The children enjoyed wearing their own clothes in school today and we would like to thank you for your generous donations of bottles and chocolate in preparation for a chocolate tombola stall and a bottle tombola stall at BeltonFest.

The next NON uniform day will be on Friday 22nd June. All donations of chocolates and bottles will be very gratefully received.

Let's Be Considerate to our School Neighbours

We are asking you to be considerate to the neighbours of our school when picking up, dropping off and visiting our school as some of them are struggling to get out of their drives safely on Sadlers Wells at busy times.

It is Bike to School Week on 11th – 15th June when we will be asking all parents to park at the reccy car park and cycle or walk to school.

Thank you for reading this and for taking any positive actions you are able.
