Governor News

For the next two weeks members of the governing body will be visiting school on monitoring visits. The focus will be to see whether our children are good ambassadors for the school and also whether they are able to talk to you about their learning and how to improve their work.

The Bees are Busy Being Poets

Bees have been busy using their five senses to hunt for and observe the signs of Autumn. They are now using their findings to write Cinquain poems about Autumn which will be collected and published to create our class poetry book.

Please return your child's photograph order to the school office by Thursday 3rd November at the latest. This will ensure that orders are back at school in time for Christmas posting!
