Dear

Thank you for your interest in our new parent forum.

As a school we really value open communication with parents and carers therefore the new forum will work to provide feedback on provision, offer a parent's perspective on current policy and practice and offer input into planning for the future. By participating in the parent forum, you will be representing the views of all parents and carers and be a voice to inform our school of the needs of children and their families.

Taking into consideration your feedback regarding preferred days and times, I would like to offer you the opportunity to join us for our first parent forum meeting at school on **Thursday 5th May at 2pm**. This will be led by Mrs Joanne Jones who is looking forward to working with you to get this new venture up and running.

I hope that you find this a rewarding experience and that it will serve to strengthen home school links further and ultimately be to the benefit of all our children.

Yours sincerely

Mrs E R de Looze
