Wellbeing Award for Schools

<https://www.awardplace.co.uk/award/was>

Sea Otters and RMS Titanic

This term the Sea Otters are enjoying learning about the tragic history of the RMS Titanic.

They have been looking at how the RMS Titanic has been represented in a variety of media, especially the work of Ken Marschall and then applying this knowledge to their own versions both 2D and 3D.

What amazing models they have made!

Wellbeing Award

We held our first change team meeting on Wednesday afternoon and elected Mrs Hopkins as chairperson. The team comprises of Mrs de Looze, Mrs Scott (SENCo), Mrs Hopkins, Nicola Robe (family outreach worker), Daryll Clark, Rebecca Lakin, Rachel Hammond, Rebecca Matthews (co-chair of governors) and a pupil representative. We are aiming for this award as we recognise the importance of high levels of wellbeing and that investing in wellbeing and mental health is essential for developing confidence and building futures. It is also an opportunity for us to recognise the work we are already doing in school.

After half term we will be asking you to complete a survey online if you would, and will send more details shortly. If you would like any more information please contact Mrs de Looze or any member of the change team. Thank you.

Thank you!

We would like to thank FOBS for providing resources for the Tigers and Sea Otters Classes and for agreeing to fund equipment for our forest school and outdoor learning.

Thank you to everyone who supports FOBS and their fundraising events. We really appreciate all your support.
