

Squirrels - Spring 1 - Curriculum Plan

English

In English, we will be writing factual reports about Windrush heroes and their struggles, successes and contributions to British life.

Then we will be looking at the Selfish Giant to write a narrative of their own.

RE

Our RE Topic is titled 'What is the 'Trinity' and why is it important for Christians?. We will be looking at the baptism of Christ and how this is reflected in our local church.

Science

We are focusing on Animals, including humans. There be a focus on the human digestive system and how our body functions to be as healthy as possible,

Art

As designers, we will be creating Sculptures and 3D art: There will be a focus on abstract shape and space

Music

We will be moving on to looking at rhythm and looking for patterns in music. The children will be composers of their own pieces.

Maths

In Squirrels, we will be focusing on multiplication and division and the formal methods of using columns.

Then we will move on to fractions and perimeter.

Geography

In Geography, we will be focusing on where food comes from. Thinking about the origins of our produce and how we trade them.

Computing

We will be focusing on computing systems and networks this half term and understand how our school computer systems work.

PSHE

With Mrs. Ghirardelli, we will learn about safety and the changing body. There will be a focus on online safety and being aware of fake online content.

French

The Squirrels will be learning about fruit in French and to say whether they like or dont like them.
