On Sunday 7th May Mrs de Looze and Mrs Johns represented the school at the licensing service for our new Belton vicar, Revd Louise Corke and welcomed her to our community. Revd Louise is pictured here with Revd Laurretta.

Sensory Garden News

We are delighted to tell you the sensory garden is now open as phase 1 has been completed. We would like to thank FOBS for their hard work in fundraising and volunteering to make this a reality.

If you have young children waiting with you at the end of the school day please keep an eye on them they are NOT allowed on the sensory garden or the climbing frame. The sensory garden is not an adventure park. Please respect this so our children are able to use it and your younger children are kept safe. Thank you for your support with this.

We have a new classroom!

We had the handover for our new classroom for the Meerkats on Wednesday and Mrs Jones and Mrs Scott are now settled into their classrooms. Please read the new attached Arrival and Collection Policy which starts from Monday. Please note the children in Meerkats and Sea Otters will enter and leave school via the gate on the right as you look at school. **There is no access to the playground down the side past the ramp.** Children will be taken to the gate by Mrs Jones at the end of the school day. Meerkat parents please wait at the gate to collect your child. Bears and Bees arrangements continue as before.
