News from FOBS

7th September 2018

Time for a Change

I have been Chair of FOBS for 4 years and in that time I have seen the committee go from strength to strength, with many amazing individuals coming together to work as a great team. I have thoroughly enjoyed being Chair and have learnt so much during this time.

It has been incredibly rewarding to have been part of FOBS. We have run successful events. We have created a robust calendar of events and have raised enough money to build the sensory garden, re do the playground markings, supply tools for forest club and fund various class projects.

It is great to know that I helped contribute to creating these things for my own children and others, but I feel the time has come to step down and let someone else take the reins.

The committee is in an extremely strong position, with a good mix of new and experienced members. FOBS now need someone who can provide leadership and guide the committee in decision making; someone who will set the agenda for meetings and ensure their smooth running and someone who will support fundraising.

If you are patient and persistent, but also able to let stuff go; if you are a good organiser who can remain calm under pressure; and if you have a sense of humour then this role could definitely be for you.

I will be stepping down at the AGM. This will be held **on Wednesday 26th September at 7.30pm** in the school hall.

I also have to announce that, due to increased work demands, Jo Hancock will be stepping down as Secretary. Myself and Jo have worked very closely together over the past few years. Jo has kept minutes and more importantly, she has kept me organised. I would like to take this opportunity to thank her for all her help and support and for her friendship.

This does mean, however, that the position of Secretary also needs filling at the AGM.

If you would like any more information about the roles of Chair or Secretary and what they entail, please feel free to have a chat at school or you can email us at friendsofbeltonschool@outlook.com.

Both the role of Chair and Secretary are critical positions. Without these two roles, the committee **can not** continue. I would urge all parents to consider being part of FOBS. It really is extremely rewarding and very beneficial to our children, the school and the wider community.

Thank you to everyone who has supported FOBS.

Best wishes

Kate Anderson, Chair FOBS
