

### **AS WRITERS...**

*This half term we will use what we have learnt this year to write in a variety of genres. We will write a portal story before becoming sports reporters and writing our own report on a sporting event.*

### **AS GEOGRAPHERS...**

*We continue to look at the big question looking at the big question*

#### ***Why are mountains so important?***

*We will look at some of the world's largest mountains and the explorers who have conquered them before focussing our attention to the mountains of the UK looking at the challenges that face people who live there.*

### **AS ICT TECHNICIANS...**

*Children write, record and edit radio plays set during WWII, look back in time at how computers have evolved and design a computer of the future.*

### **AS SCIENTISTS...**

*We will continue with the big question "What is Light?" learning about refraction through drawings and a glass of water and how shadows are formed!*

### **AS HISTORIANS...**

*We will investigate the impact of the Battle of Bosworth on the UK and solve a real life murder mystery involving the Princes in the Tower.*

## **MOUNTAINS/ RICHARD III SUMMER 2022**

### **IN PHSE...**

*We will start looking at the changes that happen as we get older. We will also learn some basic first aid.*

### **AS MATHEMATICIANS...**

*We are continuing our emphasis on using all our knowledge in mastering activities, both mental and written. We will look at geometry - using previous learning to help us. We will then apply our learning in real life contexts such as planning a holiday..*

### **AS LINGUISTS....**

*We will learn the numbers up to 70 and use this when talking about members of our families. We will learn through games and songs.*

### **AS PEOPLE OF FAITH IN RE..**

*We will be learning about being a Muslim in Britain thinking about the Five Pillars of Islam before answering the question Creation and science: conflicting or complementary?*

**AS ARTISTS...** *They will be exploring the idea that drawing is a like 'taking a line for a walk' and creating some continuous line drawings. The other part of the topic explores the use of line and colour on packaging, where they will create a recycled packaging collage and then replicate it through drawings.*

### **AS MUSICIANS...**

*We will be practicing for our end of term production..... Goodbye My Friend.*

### **AS SPORT STARS ..**

*The children will become Athletes and learn the skills associated with the various sports within both track and field.*
