Based on Language Angels

-

Year ¾ - Cycle A

Teaching Type: Early Language

Unit: J'APPRENDS LE FRANÇAIS

Unit Objective: To find France on a map, say how you feel, count from 1-10 and learn 10 colours.

By the end of this unit, we will be able to:

- Locate France, Paris, and a few key cities on a map.
- Understand the Francophone world better.
- Ask somebody how they are feeling and what their name is.
- Say how we are feeling and our names.
- Count to 10.
- Read, write, say, and recall ten different colours.

Skills we will develop:

Starting to work on our memory skills so that language and the spelling of new words is remembered after the lesson. Learning to always look for cognates first (such as bleu for blue) and associating words and phrases to images.

Activities we will complete:

There will be a number of different activities to improve cultural awareness of France and French speaking countries. Children will be expected to locate France and other French speaking countries on a map. There will also be a variety of oral role play tasks to ask how somebody is feeling with opportunities to reply.

It will help if we already know:

No previous knowledge is required as this is recommended as a starter unit.

Phonics & Pronunciation we will see: Recommended phonics focus: CH OU ON OI

- OI sound in trois & noir
- ON sound in marron
- OU sound in rouge
- Silent letters. The 's' in Paris, appelles, gris and trois, the 't' in comment, violet, vert, and the 'x' in deux. This is often the case when these letters are found at the end of words. HOWEVER, there are some <u>rare</u> exceptions where this rule does not apply e.g., the pronunciation of 't' at the end of sept and huit.
- Elision. As seen in comment tu <u>t'appelles</u>? and je <u>m'appelle</u>. This
 involves dropping the last letter of a word (in these cases the 'e' in the
 reflexive pronouns te and me), replacing it with an apostrophe, and
 attaching it to the word that follows (when it begins with a vowel or mute
 h). This is generally to facilitate pronunciation. It is not optional in French.

Vocabulary we will learn & revisit:

Language necessary to ask and answer the question 'How are you?' in French. Numbers 1-10 and ten key colours.

Grammar we will learn & revisit:

None in this unit as it is introductory.

Unit: LES ANIMAUX

Unit Objective: To remember and recall from memory 10 common animals in French with the correct article/determiner.

14.10

By the end of this unit we will be able to:

- Name and recognise up to 10 animals in French.
- Attempt to spell some of these nouns with their correct indefinite article/determiner.
- Pretend that we are a particular animal using the 1st person singular form of the verb être (to be), je suis (I am).

Skills we will develop:

We will work on improving our memory skills so that we remember the animals in French after the lesson. Remembering to look out for cognates such as **lion** (lion) using pictures to help. Learning how to build a short simple sentence in French using 1st person conjugated verb **je suis** (I am), an indefinite article/determiner (**un** or **une**) and a noun (in this unit an animal).

Activities we will complete:

There will be many speaking, reading, listening and written tasks to help us learn and retain the new vocabulary including word puzzles, word searches, crosswords and gap fills. Building up to a final task of producing a short simple phrase with '**je suis...'** plus an animal from memory.

Grammar we will learn & revisit:

Nouns, gender, article/determiners and verbs. To learn that nouns in French can have different articles/determiners based on their gender (masculine and feminine nouns). Looking more closely at two indefinite articles/determiners: **un** (for masculine nouns) and **une** (for feminine nouns). Learning how to categorise nouns by gender (**un** or **une**). Introduction of 1st person singular conjugation of the high frequency irregular verb **être** (to be) in French.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lesson 1 and vocabulary from the **'J'apprends le français'** unit.
- What a noun and article/determiner is in English.
- What a verb is and that 'I am' comes from the verb 'to be' in English.

Phonics & pronunciation we will see: Recommended phonics focus: CH OU ON OI

- CH sound in cheval.
- OU sound in souris & mouton.
- ON sound in cochon & mouton.
- OI sound in <u>oi</u>seau.
- Silent letters. The 'D' is not pronounced in canard and the last 's' is not pronounced in souris.
- Nasal sounds. Starting to explore the four French nasal sounds (on, un, in, and an). This sound does not exist in English and is made through the nose not the mouth! Words like cochon, singe and mouton.

Vocabulary we will learn & revisit:

The animal nouns in French plus their appropriate indefinite article/determiner. 1st person conjugation of the verb **être** (to be), **je suis** (I am). All listed on Vocabulary Sheet.

Teaching Type: Early Language

Unit Objective: To say 'I can...' plus a range of activities in French

By the end of this unit we will be able to:

- Recognise, use and remember 10 common French verbs/activities.
- Use these verbs in the infinitive to make a short sentence starting with **je peux.**

Skills we will develop:

Learning to remember new vocabulary by using an image, sound or mime. Remembering more and knowing more by using a greater variety of high frequency verbs with **je peux**. Being able to create longer sentences. Understanding better **je** means 'I' in French. Learning to expand, looking up other verbs not covered in the lesson using the English to French section of a dictionary.

Grammar we will learn & revisit:

Modal verb plus infinitive. Learning that **je peux** (that comes from the modal verb **pouvoir** and translates 'as I am able') is ALWAYS followed by a verb in its infinitive form in French.

Vocabulary we will learn & revisit:

Ten different high frequency verbs linked to common activities. First person conjugation of the modal verb **pouvoir**, **je peux** plus ten common infinitive verbs. All on Vocabulary Sheet.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lesson 1.
- Language introduced from units like Animals, Instruments, Fruits & Vegetables and in particular je plus conjugated verb.
- Vocabulary from the 'J'apprends le français' unit.
- What a verb is in English.

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- CH sound in chanter
- OU sound in écouter
- Ol sound in boire
- Silent Letters. 'X' is one of the 6 most commonly silent consonants in French. The "x" in **peux** is therefore not pronounced.
- Nasal sounds. Exploring the four French nasal sounds (on, un, in and an). This sound does not exist in English and is made through the nose not the mouth! Words like danser, chanter and manger.

Activities we will complete:

Simple reading, listening and written tasks to help learn and remember the new vocabulary. There will be a sound and mime to learn for each activity too. There will be more focus on remembering some/all of the spellings with more accuracy with a choice of written tasks including gap-fill, word puzzles, crosswords and worksheets. The final task will be to say/write what activities we are able to do.

The final task will be to say/write what activities we are able to do.

Unit Objective: To say your name, age, how you are feeling and where you live in French.

By the end of this unit, we will be able to:

- Count to 20.
- Ask somebody how they are feeling, their age, name and where they live.
- Say how we are feeling, how old we are, what our name is and where we live.
- Apply rules of adjectival agreement when saying our nationality.

Skills we will develop:

To work towards holding a simple conversation with a partner, asking the question as well as being able to answer it. Being able to present ourselves in French. Saying what we are called, how old we are, where we live and our nationality.

Activities we will complete:

A number of different activities first to revise and consolidate language covered in Early Learning units but also working towards a simple role-play, learning to both ask and answer the questions. Gradually adding on an extra question each week with an answer but still recycling previous language. There will be greater choice of written worksheets that require phrase level replies as well as word searches, word puzzles and crosswords. There will also be the opportunity to use prompt cards to help prepare for the final task of presenting ourselves!

Grammar we will learn & revisit:

Adjectival agreement. An introduction to the concept of adjectival agreement, in the simplest form in French. Adding an 'e' to the end of the adjective (in this lesson the nationality) when the person talking / being described is female.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1 and 2 and vocabulary from the 'Early Learning' units (in particular numbers 1-10 and how you are feeling).
- What a verb is in English and knowledge of high frequency first person verbs such as je suis (I am), j'ai (I have) and j'habite (I live).

Phonics & Pronunciation we will see:

Recommended phonics focus:

- I IN IQUE ILLE
- IN sound in Cinq
- I sound in huit, dix, Patrick, habite, Paris & suis
- Silent letters. 'S' is not pronounced in appelles, ans, Paris, Londres or habites. This often happens when 's' is the final consonant in a word.
- **Elision.** As seen in **je m'appelle**. Dropping of the last letter of a word (in this case the 'e' in **me**) and replacing it with an apostrophe, and attaching it to the word that follows, which begins with a vowel or mute h. This is generally in order to facilitate pronunciation. It is not optional in French.

Vocabulary we will learn & revisit:

Numbers 1-10 will be revisited along with the language to express feelings. Asking and answering the questions related to basic personal details (name, age, where you live and nationality) will be taught for the first time. All language is listed on the Vocabulary Sheet.

By the end of this unit we will be able to:

- Remember the nouns for family members in French from memory.
- Describe our own or a fictitious family in French by name, age, and relationship.
- Count to 70 in French.
- Understand possessive adjectives better in French ('my' form only).

Activities we will complete:

Activities to help learn the nouns and articles/determiners for key members of the family. Learning how to say what our family members are called and how old they are. Lots of activities to help understand better how to use a possessive adjective (the word for 'my') accurately in French. The reading and listening tasks will be more challenging building up to the final task of a written and/or oral presentation on our own / a fictitious family. Taking about others not just ourselves.

Skills we will develop:

We will learn to talk and write with more accuracy, fluency, and confidence on the topic of family. We will move from only using the 'l' form of a verb to the 'he/she form'. We will increase our knowledge of how the French language works by understanding better the role of different words in a sentence. We will be reminded that nouns have gender and that this impacts the choice of articles and possessive adjectives. We will improve our ability to choose these words carefully, applying increasingly grammatical awareness and using this with improving accuracy.

Grammar we will learn & revisit:

Nouns, articles/determiners & possessive adjectives.

Exploring possessive adjectives in French with a focus only on 'my'. Understanding that there are three words in French **mon, ma** and **mes** for our one word 'my' in English. Moving from 'I am' and 'I have' to 'he/she is' and 'he/she has'.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1 and 2.
- Vocabulary from the **'Early Learning'** and **'Presenting Myself'** units (how to say our name, age, nationality, where we live and numbers 1-20).
- What a verb is in English and be familiar with the French high frequency verbs in first person singular form e.g. je suis (I am), j'ai (I have), j'habite (I live) and je m'appelle (I am called).

Phonics & Pronunciation we will see: Recommended phonics focus: I IN ILLE IQUE

- I sound in Famille & Fille
- IN sound in cinq & cinquante
- ILLE sound in Fam<u>ille</u>
- IQUE sound in unique
- Silent Letters: The final consonant (s) is not pronounced in appelles, ans, sœurs, mes grandsparents, les or parents. This is often but not always the case in French.
- Elision : In je <u>m'appelle</u>/ il <u>s'appelle</u>/ elle <u>s'appelle</u>/ <u>j'ai</u>. This is when the last letter of a word ends in a vowel, and so is dropped and replaced with an apostrophe because the first letter of the next word also starts with a vowel or a silent 'h'. This is done to facilitate pronunciation.

Vocabulary we will learn & revisit:

We will revisit basic personal details (name/age/where you live/nationality) and learn the nouns and articles/determiners for family members, he/she is called and numbers 1-70 plus how to say how old we are. All on the Vocabulary Sheet.

Year ³/₄ - Cycle B

Teaching Type: Early Language

Unit: LES FORMES

Unit Objective: To remember and name 10 common shapes and count from 1-5 in French.

By the end of this unit we will be able to:

- Name, recognise and remember up to 10 shapes in French.
- Attempt to spell some of these shapes in French.
- Attempt to remember which shapes are un or une.
- Revise and/or learn numbers 1-5 in French.

Skills we will develop:

Working on being able to pronounce and remember new words in French using clear colourful images of the shapes to help us. Learning our first words in French and learning to remember the article/determiner alongside the noun. Using what we know in English to help us. Working on remembering the shapes in French over a longer period of time.

Activities we will complete:

Lots and lots of different speaking and listening tasks to help us remember the ten shapes in French. Learning to work with a partner and using mini flash cards to play games that will help us remember. Learning and/or revising numbers so we can work towards saying how many sides some of the shapes have in French.

Grammar we will learn & revisit:

Nouns, gender & articles/determiners. In this unit we will be exploring that the word for a/an in French can be either **un** and **une** (these words are articles/determiners and tell us if the noun, the shape, is either a masculine or feminine noun. In French this is called the gender of the noun). We will learn that it is important to remember which shapes are **un** and which shapes are **une.** We will see this a lot as we learn more French!

It will help if we already know:

 No previous knowledge is required as this is one of the recommended starter units and assumes no previous knowledge. If the Number and Colours unit has been taught first, numbers 1-5 in French will be revised and consolidated in this unit. If Colours and Numbers has not been taught first and there is ample opportunity to learn numbers 1-5 in this unit!

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- OI sound in étoiles
- Silent letters. We will see that the letter 's' is not pronounced in triangles and all the other shapes when they are in plural form. We will learn that when 's' is a final consonant it is nearly always a silent letter in French.
- Liaison. The normally silent 'x' in deux is pronounced in deux ovales but the 'x' almost sounds like a 'z'. This happens often in French when a word ending in 'x' is followed by a word starting with a vowel. We will learn in later units that this is called 'liaison'.
- Guttural 'R'. Becoming more familiar with the French 'r' sound as seen in cercle. Made from the back of the mouth, not the front.

Vocabulary we will learn & revisit:

The nouns and determiners/articles for 10 common shapes and numbers 1-5 in French. All listed on the Vocabulary Sheet.

Unit: LES INSTRUMENTS

Unit Objective: To say what instrument you play in French

By the end of this unit we will be able to:

- Recognise, recall and spell up to ten instruments in French with the correct definite article/determiner.
- Start to understand articles/determiners better in French.
- Learn to say and write 'I play an instrument' in French using the high frequency 1st person regular verb 'Je joue' (I play) with up to ten different instruments.

Skills we will develop:

To work on improving memory skills. Learning to recognise and learn cognates such as **triangle**, **piano**, **clarinette** first. Starting to build a short phrase in French using the personal pronoun (je), conjugated 1st person verb (joue), and partitive article (du, de la or des). Choosing and ordering these words accurately.

Activities we will complete:

A number of activities with speaking, reading, listening and written tasks to help learn and retain the new vocabulary including word puzzles, word searches, crosswords to help the final task of recalling from memory in oral and written form **je joue** plus the partitive article/determiner and an instrument.

Vocabulary we will learn & revisit:

ten common instruments with their appropriate definite article/determiner first and then in a short phrase using the partitive article. First person conjugation of the verb **jouer** (**je joue**). This is all listed on the Vocabulary Sheet.

It will help if we already know:

- What nouns, verbs and articles/determiners are in English.
- A basic understanding of the concept of gender in French.

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- OU sound in joue
- ON sound in violon
- Contractions & silent letters. When the preposition de is followed by the definite article les it becomes des but the 's' in des is silent.
- Nasal sounds. Starting to explore the four French nasal sounds (on, un, in and an). This sound does not exist in English and is made through the nose not the mouth! Words like violon and instruments.

Grammar we will learn & revisit:

Nouns, definite articles/determiners and high frequency verb 'jouer' in 1st person singular only. Using a noun (instrument) with the correct definite article and 1st person singular form of the verb 'jouer' (to play), 'je joue' (I play). Learning that nouns in French can have different articles based on their gender (masculine/ feminine nouns) and plurality. Introduction to three definite articles le, la and les (l' is not seen in this unit). Learning how to categorise nouns in French by their article/determiner, gender and plurality.

By the end of this unit we will be able to:

- Name, recognise and recall from memory up to 10 vegetables in French.
- Attempt to spell some of these nouns with their plural article/determiner.
- Learn and use the high frequency verb je voudrais from the verb vouloir, to want in French.

Skills we will develop:

Working on improving memory skills. Remembering more spellings from memory and using a variety of activities to help this. Remembering to always look for cognates first (such as **carottes** and **tomates**). Having enough language from memory to perform a short role play.

Activities we will complete:

A number of speaking and listening tasks gradually building up knowledge of language in this unit. Completing word searches, word puzzles, matching pair tasks with words and pictures. A range of worksheets helping to reach the final task of a role play at a French market stall.

Grammar we will learn & revisit:

Nouns and articles/determiners in plural form. Learning that

the plural definite article/determiner (the word for 'the') is **les** in French and does not change. Both the noun and definite article/determiner in French change in plural form. This does not happen in English.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lesson 1.
- Vocabulary from the 'J'apprends le français' unit.
- What a noun and article/determiner is in English.

Phonics & pronunciation we will see

Recommended phonics focus: CH OU ON OI

- CH sound in champignon
- ON sound in oignon
- LiaisOn. The reason why the final letter 's' in les is sometimes pronounced and sometimes left silent in the unit is due to liaison in French. If the article/determiner is followed by a noun that starts with a vowel – a normally silent 's' is pronounced by as a 'z' sound. As with les oignons, les épinards and les aubergines.
- HASpiré. The letter 'h' in haricots is called a h aspiré. It is still a silent 'h' and not pronounced but it acts like a consonant. The final 's' in les remains SILENT when used with haricots verts.

Vocabulary we will learn & revisit:

10 common vegetables and their plural definite article/determiner. Simple vocabulary including a kilo, a half kilo, please and thank you, hello and can I have. This is all listed on the Vocabulary Sheet.

Unit: L'ANCIENNE HISTOIRE DE LA GRANDE BRETAGNE

- Name in French, the six key periods of ancient Britain, introduced in chronological order.
- Say in French three of the types of people who lived in ancient Britain, where they lived and what their hunting tool was.
- Remember accurately from memory and use the French for 'I am' (je suis), 'I have' (j'ai) and 'I live' (j'habite).

Skills we will develop:

Remember enough new language to able to write and present orally (perhaps even from memory) a short paragraph as a person from the stone, bronze or iron age using more than one high frequency verb and a wider range of vocabulary with high accuracy. Learning to make full use of the templates and support provided.

Activities we will complete:

Guided speaking, listening, reading and written activities on the Stone Age, Bronze Age and Iron Age. Building up a wider range of vocabulary on types of dwellings and hunting tools so that as a final task we can be one of these characters and write about ourselves saying who we are/where we live/what our main hunting tool.

Vocabulary we will learn & revisit:

The six different periods of Ancient Britain in French with a focus on key language from the stone, bronze and iron age. All listed on the Vocabulary Sheet.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lesson 1.
- Vocabulary from the 'J'apprends le français' unit.
- What a noun and article/determiner is in English.
- What a verb is in English and that je suis means 'I am' in French.

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- CH sound in flèche
- OU sound in bijoux
- ON sound in bronze, Anglo-Saxons, maison & ronde
- OI sound in histoire
- Liaison. The final letter 's' of suis which would normally be <u>silent</u> is pronounced like a letter 'z' as the word suis is followed by a word beginning with a vowel (here a 'u' in un or une). This is called liaison.
- Guttural 'R'. Becoming more familiar with the French 'r' sound as seen in ronde & bronze. Made from the back of the mouth, not the front.

Grammar we will learn & revisit:

Verbs & elisions/contractions. We will explore the 1st person singular of two high frequency irregular verbs: être, avoir (je suis and j'ai) and one regular verb habiter (j'habite). We will notice that j'ai and j'habite in this unit are contractions. Contractions occur when two or more words combine together and one letter (or more) is removed. Here the 'e' in je to make j'). This is called elision.

Unit: EN CLASSE

Unit Objective: To say what you have and no not have in your pencil case in French

By the end of this unit we will be able to:

- Recall from memory a selection of nouns and indefinite articles/determiners for twelve common classroom objects.
- Learn how to replace an indefinite article/determiner with the appropriate possessive adjective.
- Learn how to use the negative in French.
- Describe what we have and do not have in our pencil case/rucksack.

Activities we will complete:

Learning twelve classroom objects (noun and article) with a variety of speaking, listening and written tasks. Activities to help us understand better why there are two different words for 'my' in French. Many extended, longer writing, reading and listening tasks all working towards the final activity of being able to say and write what we have and do not have in our pencil case.

Phonics & pronunciation we will see:

Recommended phonics focus: I IN IQUE ILLE

- I sound in livre, calculatrice & ciseaux.
- Accents. Accents can appear frequently in French and are important for accuracy and spelling. They can also affect the pronunciation of a word.
- Silent letters. Hearing and seeing the silent consonants on the end of
 French words: des ciseaux
- Elision. J'ai. Dropping the last letter of a word (in this case the 'e' in je) and replacing it with an apostrophe. Attaching it to the word that follows which begins with a vowel of mute 'h'. This facilitates pronunciation and is not optional in French.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1 and 2.
- Vocabulary from a variety of 'Early learning Units' units and the Intermediate unit Je me présente.
- That **J'ai** means 'I have' and comes from the verb **avoir** (to have) in French.
- What a noun and article/determiner is in English.
- What a verb is in English.
- What a possessive adjective is.

Vocabulary we will learn & revisit:

12 nouns and articles for common classroom objects with the question and answer of what is in my pencil case. The three options for 'my' in French. **J'ai...** ('I have') will be revisited before introducing the negative reply **je n'ai pas de**...(I don't have). This is all listed on the Vocabulary Sheet.

Grammar we will learn & revisit:

Nouns, gender, articles/determiners & use of the negative.

Understanding that nouns in French are gendered and that this affects the choice of article/determiner. Moving from revisiting **j'ai...** ('I have') to learning the negative option **je n'ai pas de...**('I do not have') in French.

Skills we will develop:

To work on memory, recall and retention skills using images as well as the written word. To also improve spellings in French by completing a variety of written based activities. To improve oral work by learning to ask questions in French as well as answering but progressing even further by including a possessive and negative reply.

Unit Objective: To say what pet you have and do not have in French

By the end of this unit we will be able to:

- Know the nouns and indefinite articles for 8 common pets.
- Ask somebody if they have a pet and give an answer back.
- Say in French what pet we have/do not have and give our pet's name.
- Start to use the simple connectives et (and) and mais (but) to make more complex and interesting sentences.

Skills we will develop:

To work on creating longer, accurate yet authentic pieces of spoken and written French using the connectives **et** (and) and **mais**. Incorporating the personal details previously learnt with our new knowledge. Moving to phrase level and creating extended sentences.

Activities we will complete:

A number of different activities to learn the 8 nouns and indefinite articles for the pets using a variety of speaking, listening, reading and written tasks (including crosswords, word banks and word puzzles). After recycling and revisiting **j'ai...** (I have) learning how to say **je n'ai pas de/d'...** '(I don't have) plus the pet in French. Learning how to use the structure **qui s'appelle** and complete more demanding listening and reading tasks. There will a class survey and an extended final written task, in the form of an email reusing language we have previously learnt.

Grammar we will learn & revisit:

Indefinite articles, high frequency verbs & negative.

Revisiting 1st person singular conjugations of high frequency verbs **je m'appelle**, **j'ai, je suis** and **j'habite**. Indefinite articles/determiners **un** and **une**. Negative structure **je n'ai pas de/d'...**

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1 and 2 and vocabulary from the **Early Learning** units.
- Vocabulary from 'Je Me Présente' and 'Ma Famille' units.
- The difference between a definite and indefinite article/determiner.
- That nouns in French have gender and this has an impact on the determiner.

Phonics & pronunciation we will see:

Recommended phonics focus: É E È EAU EUX

- É sound in Cécile
- E sound in je & de
- EAU sound in Oiseau

- Silent letters. 'S' is not pronounced in mais or souris and the t is not pronounced in et, chat. 'S' &'T' are often silent at the end of French words.
- 'H' Aspiré. This type of 'H' is not aspirated or otherwise pronounced. It does not allow elisions or liaisons – the 'h' in hamster acts like a consonant which is why it is 'je n'ai pas <u>de</u> hamster'.
- Elision Je n'ai pas d'oiseau. Dropping of the last letter of a word (in this case the 'e' in de) and replacing it with an apostrophe, and attaching it to the word that follows, which begins with a vowel or mute h. It is not optional.

Vocabulary we will learn & revisit:

Revisiting personal details (names/ age/where we live) and the high frequency verbs **j'ai**, **je suis** and **j'habite**. 8 nouns and indefinite articles for common pets and how to ask and answer the question **As-tu un animal?** using the structure **qui s'appelle** and the two connectives **et** (and) and **mais** (but). All listed in the Vocabulary Sheet.

Learning the nouns for the four seasons, followed by a short phrase associated to each one. Reading and written activities on both word and phrase level to support word order and simple sentence structure in French.

Grammar we will learn & revisit:

Nouns & articles/determiners. We will start to notice that in French there is often an article/determiner before a noun when we do not use one in English. For example, spring in French is '**le printemps'**. Staring to notice also that there are more words in French for 'the' than in English!

It will help if we already know:

• No previous knowledge is necessary as this is a starter unit designed to be used in the early stages of a language learning journey but it is recommended to teach **'J'Apprends Le Français'** before this unit.
