### A Blue Peter Badge for Sally

Congratulations go to Sally in The Bears class who has been awarded a Blue Peter Badge which is given to viewers who care about the environment and nature. Sally told them about the turtle sanctuary she visited in Sri Lanka and designed a wrist band with beautiful drawings of turtles.

### Spreading Kindness!

This week Pop and Sparkle, our Kindness Elves sent us on a Kindness Mission in the community. They asked the Tigers to bake some cakes and take them up to the ladies and gentlemen that attend John's Cafe on a Wednesday afternoon. The children were wonderful. They were full of confidence and stories of elves and fairies!

They were all given a drink and a little packet of sweets from the church, which of course was very much appreciated.

*"We had a lovely visit at the community lunch today. The reception class at school came to tell us all about the work they've been doing recently on "kindness." They brought cakes along, handed out pictures they had drawn and also sang some songs. It was so lovely to see the young and the old(er) in the community coming together. In such a mad world a little kindness goes a long way, so thank you to the school for organising this - feeling delighted."*

## Parents' Evenings

On Tuesday, Wednesday and Thursday this week we held parents' evenings which were very well attended.

**A special thank you goes to Janet, Barbara, Liz and Charlotte (FOBS) for providing the tea and coffee for the parents.**

We are very proud of our school litter pickers who walked around the school grounds and were thrilled to have collected 3 big bags of rubbish. Well done!

## Breakfast Club

Our breakfast club is open every school day from 7.45am – 8.45am.

There is no need to book – please just come to the school reception where Mrs Chamberlain or Mrs Lavine will greet you.

The children can have a healthy breakfast to start their school day and a chance to relax with children from different age groups.

£3 each session or £10 for the week.

# Today is Divali Day in school!

In order to appreciate different culture and religions the Education Group provided a Divali Day for school in the run up to the Divali Festival. Owls, Bears and Sea Otters all painted Diya lamps and in the afternoon were taught Indian Dance and at the end of the school day performed to the Tigers class.

We would like to thank Mrs Pilcher (Cara's Grandma) who spent the day with us sharing stories about India and a thank you to Mrs Khunti for the very kind donation of sweets for the children for our Divali celebrations.
