

Belton C of E Primary School  
Summer Term

## Newsletter 9

17<sup>th</sup> June 2016

**Quadkids Washout**  
Quadkids was a washout on Monday. Two schools were unable to get to Belton due to the M1 closure and traffic problems and the school that did come had to leave early due to the wet conditions which made the competitions a little dangerous!

### Year 5 Tennis Tournament

The first tennis tournament went ahead on Monday after school for Year 5. Mrs Chamberlain said the team played well. There are two more tournaments being held on 28<sup>th</sup> June and 5<sup>th</sup> July.

We wish the team well!

### Science Day at Long Whatton Primary School

Yesterday Lily, William, Evie, Robbie and Katie, children from Year 1 and 2, took part in a 'Science Day' at Long Whatton Primary School. The children had to solve problems and do experiments to find out who stole the rainbow Madine. This was part of our work with the collaborative trust BeSKILD and was very enjoyable according to our scientists!

### Duathlon Challenge Day

On Tuesday 6 of our children took part in a Duathlon Challenge Day as part of the BeSKILD Trust. Altogether 36 children (6 from each school) cycled off road for 3 miles, then ran for 2 miles then cycled again off road for a further 5 miles. A total of 10 miles! Well done Jack, William, Harvey, Madison, Seth and Joe!

The Bees have been busy growing beans for  
their Belton garden.

They are delighted with the results!

## Our Links with Castle Donington College and Shepshed High School

On Wednesday we were pleased to welcome members of Castle Donington College Orchestra to our school who performed to the Sea Otters and played a medley of music. As some of our Year 5 are going to Castle Donington this year as well as to Shepshed High School we are keen to strengthen links with these high schools to help the transition process as our children leave and move on to the next stage of their schooling.

On that note Mr Parrott, head of Shepshed High School will be meeting new parents of Year 5 (and other parents who would like to talk to him) on Wednesday 6<sup>th</sup> July at 3.15pm, here in school. If you have any questions you would like to pose to him, please feel free to attend. This meeting will be in the school staff room.
