

Belton Update

14th January 2022

Dear Parents/Carers and Children,

What a two weeks it has been at school! Last week we had a great visit from Word Guerilla – otherwise known as Dave, who did some fabulous workshops of Performance Poetry with the children. They were so animated and so were the staff. I hope we will have him in again next year.

This week we have had a growing number of children working from home. I wanted to let you all know how proud of them I am. They have tried really hard, as has their teacher. We all know how tricky it is!

The Foxes also did so well at their first swimming lesson.

Well done all!

We are in desperate need of volunteers in school to help with readers. If you are interested please contact Miss Scott

Covid

We do currently have a growing number of cases in school. We are following all government and Health protection guidance. We have also noticed a wide range of symptoms, not necessarily the 'classic ones'. Please look out for sickness, body aches, dizziness and tiredness. If any child does test positive over the weekend, please WEDUC message Miss Scott.
