Meerkats visit to Hough Mill

The Meerkats were very excited to travel by coach to Hough Mill this week. Along with their new friends from the reception class at Diseworth Primary School they climbed two stiles and ran up through the field to the mill. The children enjoyed a tour of the windmill, climbing to the very top and learning about how the wheat is ground to flour. The children turned the quern stone and were weighed like sacks of flour on the giant scales. "It was a great trip" said Henry. "The wheels were enormous" said Jake.

The visit was linked to work on the Little Red Hen and Harvest and was a great success.

Thank you for bringing your delightful children to the mill yesterday. It was lovely to see such excitement and enthusiasm. Bis, baby Ralph and myself enjoyed showing them around.

Do visit the windmill in the holiday if you can.
The website
<http://www.swannington-heritage.co.uk/>
tells you when it is open. On Sunday there is an open afternoon - a chance to explore Smock Wood and the windmill.

Have a lovely half term break.
We start back at school on
Monday 24th October
