Year 5 Netball News

This morning the Year 5 netball team played in a tournament at Newcroft School against schools from our Shepshed family of schools. We are very proud of them and Mrs Chamberlain commended the team on their sportsmanlike behaviour and courtesy.

The Bears Visit to Twycross Zoo

On Wednesday the Bears had a wonderful trip to Twycross Zoo in spite of the weather. We have been making up some 'super sentences' about our visit.

How beautiful the snow leopard was!

What a cool gibbon it was!

What a long neck the giraffe had!

What great grip the spider monkey had!

The fluffy snow leopard slept snoozily on the wall.

The beautiful butterfly looked like it had eyes on its wings.

More photographs on the website very soon.

Here's a question for you ...
Do you know the difference between a monkey and a gibbon?
Ask one of the Bears ... they will tell you the answer!

Learning Walk

Yesterday, 4 head teachers from our Trust Schools came to Belton to do a learning walk around our school. This is an annual health check to ensure that we are making progress, our standards are maintained and to suggest any areas for improvement and development.

They thought the school environment was welcoming and lovely and that the school sparkles. They were impressed by the hard work of all the staff and the improvement in the work, particularly of our younger pupils. They noted that our pupils spoke about keeping safe and e-safety with confidence and were aware of behaviour expectations in our school.

BeSKILD Trust

As part of our collaborative with our trust schools, (BeSKiLD) we are proud to tell you that 6 of our children have been selected to take part in a duathlon event which involves a 2k cycle ride and a 3k run, finishing off with another 2k cycle ride! William, Jack, Seth, Madison, Joe and Harvey are training hard for this event which takes place on June 14th.
