

## Belton Update

**13<sup>th</sup> November 2020**

This week we observed the 2 minute silence during our assembly. It is always a proud moment for me to see the children standing quietly thinking about all the people we lost in the war and also thinking about those who help us today. We also celebrated Children in Need today - it has been a fun day! We are also looking forward to Anti Bullying Week next week! If you want to wear odd socks on Monday for the occasion you may!

Remember the children who are currently at home are able to wear their home clothes to school on Monday (as well as odd socks) so they can join in too. If you wish to donate to Children in Need here is the Just Giving link <https://www.justgiving.com/fundraising/Belton-CE-Primary-School1> - so far we have raised £116.

Next week we welcome back those children who have been working at home for the last few weeks. It will be great to see them and a big well done to them and their teacher for tackling all that home learning. A big thank you to Mr Goldsmith too, who now feels part of the furniture at Belton! We look forward to seeing you on Wednesdays!

Also well done to the children who have worked hard on Rockstars - Lions pipped Sea Otters to the post but I feel next week the competition will continue!

As you will know I am very much in favour of open communication between myself and parents. However, please could I remind you that if you wish to contact me via email please do so via the **office email** [office@beltonprimary.org](mailto:office@beltonprimary.org) or via **weduc**. Communication with teaching staff should also be via the office email, class emails are only to be used during remote learning or if your child is isolating. Thank you in advance.

This year we are unfortunately not able to have our book fair in school but Mrs Peczek has organized a virtual one! Details to follow.

**School dinners are Week 3 next week.**

**Final reminder –**

If your child has not been registered for the seasonal flu vaccination taking place at school on Monday 30th November and you wish your child to be vaccinated, you must give consent online by Thursday 26th November at the latest.

Only children who have consent will be given the immunisation. Parents and carers must ensure that they have given this consent with the Immunisation Service.

### **Note from Mrs Cobbin**

I would like to say how immensely proud I am of the Sea Otters who have worked extremely hard over the past two weeks on a variety of topics.

They have, amongst other things, created a story a day from a picture, carried on using all four operations in mathematics to solve problems, looked at the history of WW1 and 2 in reading comprehension and have completed some amazing art projects.

The Sea Otters should give themselves a massive pat on the back for all of their effort and positivity during our period of isolation.

### **Certificates this week**

**Tigers** - Stars of the Week – Genevieve and Grace

**Owls** – Megan - Mindset Champion, Mathematician - Lacey, Handwriting - Arlo and Star of the Week - Sam

**Lions** - Cole - Mindset Champion, Mathematician - Rhegan, Handwriting - Ethan and Star of the Week - Amelia
