

KS2 Bradgate Park Adventure

The Bears and Sea Otters had a fantastic trip to Bradgate Park on Monday. The Bears explored the site of Leicestershire's original inhabitants 14,500 years ago and also went pond dipping! The Sea Otters practised compass skills and searched for mini-beasts in the river. **"We saw minnows in the river and we caught five rain beetles, a centipede, a woodlouse and a caterpillar."** *"We were nervous but managed to get really close to a young male fallow deer."* **"We had ice lollies to cool us down."**
