Weduc Smart Communication comes to Belton!

We are delighted and excited to announce that we have invested in Weduc, a new digital communications tool designed to improve the way you as parents and we the school staff are able to communicate with each other.

If we have an email address for you, you will have been sent an introductory email from Weduc asking you to log in. If we don't have an email address for you there should be a personal letter for you with login details. All parents and carers will need to log in separately with a personal login.

Please download the app to your phone and see what it's all about. Next term we will be using Weduc as our main method of communication between the school and yourselves and you will be able to use it for cashless payments to school for school lunches, trips and so on. If you have any questions please ask Mrs Smith at the school office.

Year 5 Be skilled Sports at Diseworth

On Thursday 27th June our Year 5 children went to Diseworth Primary School for a sports event with children from St Botolph's, Long Whatton and Oxley Primary Schools. They had a great time and enjoyed meeting the children from the other schools.

We are very proud of our litter pick team – Lily, Edie, Molly, Nancy, Holly T and Sally – who raised £40 by selling cakes after school on Thursday 27th July to pay for walkie talkies to use on when they are out litter picking. Well done!

Year 6 Search for the Madwoman's Stones

The Year 6 children have had an amazing adventurous trip to find 'the madwoman's stones' in Derbyshire. They showed remarkable resilience and Mrs Jones commented on how determined and caring our Year 6 were with each other – encouraging and helping each other to fulfil the challenges they encountered.
