£2.15 per day
£10.75 per week

Sports Stars Afternoon

20 of our Year 3 - 5s spent an afternoon having extra sports coaching on Tuesday which they all enjoyed. Teresa from Coach Unlimited provided an exciting selection of activities ranging from skills to developing team work.

She complimented us on the excellent behaviour of our pupils and particularly commented on the Year 5 who she said excelled and commended Harvey who also stood out as mature and focused.

Well done we are proud of these achievements!

Coming up

**BBC RADIO
LEICESTER**

Next week on Wednesday KS2 are being recorded by BBC Radio Leicester singing their Christmas carol for the Dosing Advent calendar CD.

Tri Golf

There is a tri golf match at Shepshed High School for our Year 3 & 4 team and a Year 5 team.
We wish them well!

Story Telling Workshop

On Wednesday our school hosted a story telling workshop for the BeSKiLD trust schools. 36 children from Year 2 from the 6 schools took part in a performance of Peter Pan which was then performed in front of parents and carers. 4 children from our school took part and thoroughly enjoyed the experience. Next week they will travel to Diseworth to do some follow up work to the session. It is hoped that over the next 2 years all our children will be involved in enrichment activities for the trust. So far all Year 2 children have taken part in a sports competition at Diseworth and some Year 4 & 5 children have had a music day at St Botolph's School in Shepshed.

Children in Need

The school council, sports leaders and road safety officers have all worked together to set up exciting activities for the rest of the school to participate in today following an assembly about Children in Need and what it is for. Activities ranged from obstacle courses to crafts and icing biscuits! The ramble was great fun and most of us enjoyed getting muddy! We hope you all enjoyed it!

We will let you know next week how much we have raised for Children in Need. Have a look on our website for more photographs.
