Handwashing Day, Friday 28th November

28th November is Handwashing Day in school. Shoba, our school nurse will be working with us in school to ensure that we are washing our hands correctly to help minimise germs and bugs as winter is approaching. Each class will be involved and will be using glitter soap. Please let us know if you don't wish your child to use the soap due to allergies etc.

Keep Your Child's Water Bottle Clean

It is essential that water bottles are taken home and thoroughly washed every day. Please bring them to school clean and fresh and filled with water each day.
