Sports Stars Afternoon

On Tuesday we had a second sports stars afternoon for our talented sports stars from KS2. Teresa from Coach Unlimited led the session and commented on the high level of skill of our children and how they were beginning to learn about the need for collaboration and team work and that participation in sport is not just about the winning! Special mention goes to Jack and Ava in the Bears who were Sports Stars of the session and Jack in the Sea Otters who was mature and sportsmanlike.

Sainsbury's Active Kids is back for 2016

BeSKiLD Art Day at Kegworth Primary School

We had a successful collaborative art day which was held at Kegworth Primary School by our trust, the BeSKiLD group. Six children from Year 4 and 5 were fortunate enough to be selected (their names were picked from a hat). They worked all day with other KS2 pupils from trust schools on paper sculpture and thoroughly enjoyed this new experience.

Mrs Hopkins was one of the organising staff and said our children behaved well and had some interesting ideas.

"I liked making the curly spirals."

"I used paper to make towers and bridges."

"We met a real artist. She made a dress out of newspaper!"
