

## Maths Information Evening

Mrs Cobbin held a maths information evening on Monday. Those who attended felt it was 'useful' and 'very informative' and answered a lot of questions. As a follow up Mrs Cobbin offered the chance for parents to come into a maths lesson and experience the lesson with their child. Please do ask Mrs Cobbin if you have any questions about how we teach maths in school. If there is enough support we could repeat the workshop. This relates to maths throughout the school, not just KS2.

## Tigers Stay and Play

This was a very well supported event in the Tiger's class yesterday morning when the parents and carers of the children were busy making elf doughnuts!

We look forward to holding another session on Tuesday 14<sup>th</sup> November at 2pm.

## Harvest Festival

Many thanks for all your gifts of food that were donated to the Shepshed food bank at the Harvest Festival. Our theme of the four seasons was well received with every child taking part. The performances included a lonely scarecrow from the Owls class to sharks swimming and a boat sailing down the aisle from the Tigers class!

## Sea Otters Raise £250 for Macmillan

Thank you to everyone who made cakes and came along to support this lovely annual event.

# Soup and Bread Day

Thank you to everyone who came into school to sample the tasty soups and breads made by the children.

Today our Year 6 children were invited to Iveshead School to meet Mr Parrot, the principle and Mrs Gutteridge, the head of school. They had a guided tour, met some of the teachers and had a chance to ask questions.

## Football News

The Year 3 and 4 football team had their first outing to Oxley School on Monday for a Be Skilled football match. They played very well and Mrs Chamberlain said they were good sports ambassadors for our school. Well done!
