

Belton Update 29th November 2019

This week has been a frenzy of Nativity practice, gymnastics at lunchtime and getting our termly assessments completed! Tigers and Owls are working really hard on their performance of Lights, Camel, Action! and Key Stage 2 are gearing up for their end of term carol concert in church! As we move into December there are lots of events to come. The Book Fair is coming to Belton from the 10th December, the Nativity on the 11th and 12th, the Pantomime on the 16th and the Carol Concert in church on the 19th December. I hope you are looking forward to them all!

I thank those parents who responded to the questionnaire about school dinners - school food support are currently analyzing them. Also on WEDUC there is the questionnaire regarding individual school photos and our Amazon Wishlist - please take a look.

Amazon Wishlist

As you know we are in the middle of reinventing our school library. We have donated/sold/given away a lot of books as they were looking dated and in poor condition. Also a lot of the books predated the 2014 National Curriculum.

Books are quite expensive and we are looking to buy lots of lovely new books for the children to enjoy. We are going to use any commission gained from the Book Fair in December to top up.

To ensure we have a variety of books I have put together an Amazon Wishlist of books that the staff and children feel they would really like to see in the library. This is purely voluntary and if you are unable to donate a book please do not worry.

Note from the Litter Pickers

Please can the children make sure their rubbish is going in the bin! There seems to be a lot of rubbish to be picked up every lunchtime.
