

Belton Update

20th May 2022

Dear Parents/Carers and Children,

It has been a really special few weeks at school, with so much going on. The Year 6 children sat their KS2 SATS and I was so impressed in how they tackled them with determination and resilience! They enjoyed a treat at the end of the week to the crazy golf - thank you FOBS and to parents who transported them. Year 2 have also taken some quizzes and tried so hard. Well done!

The Year 3s took part in a BE Skilled Sports event, with the Year 4s off today to Long Whatton.

The Young Voices choir was an amazing time in Birmingham and the children sang their hearts out! What a wonderful experience for them all! We are definitely hoping to go next year!

We have also enjoyed the 3M competitions. Mrs Yendall was amazed by how well all the children spoke, now we are just waiting to see if we got through! Fingers crossed!

The Squirrels have visited a Mosque, a Church and a Synagogue this week as part of the RE curriculum. Miss North said they asked really thoughtful questions. It was lovely to hear some parents also went on this trip when they were younger.

We have welcomed Governors into school to share some of our curriculum development work and BBC Radio Leicester are coming this afternoon to record a Platinum Jubilee quiz for next week! Ash are also wearing their non uniform to celebrate their house point win!

What a few weeks!

We are looking forward to welcoming you into school next Friday from 2pm for our Jubilee celebrations. We have been learning lots of songs from different decades, including the National Anthem. Parents are also welcome to dress up if you wish to enter into the spirit! See the information below.
