## Jobs and Responsibilities

We have had many applications for the various roles on offer in school and we will find out next week who has been successful in their applications.

## Home School Agreement

Your child is bringing home a home school agreement for you to read and sign with your child. This is an important document which sets out our vision and the aims of our school. The agreement supports the partnership between school and home in the best interests of our children. This form is for individual children and should be returned to school by Friday 15<sup>th</sup> September at the latest. Thank you.

## Behaviour in School

At Belton C of E Primary School we are committed to enabling all children to access education successfully. This involves establishing a high standard of behaviour throughout the school. Please read our Behaviour and Discipline Policy which is available under the Parent tab – school policies – on the school website. If you prefer a hard copy please ask at the school office and we will provide one.

The Owls have had a great first week and enjoyed learning about nocturnal animals. This week they have some new arrivals to their class ... can you guess whoooooooo?
